Incident Summary

I observed a male in Five Points Park who appeared to be suffering with mental health issues. Numerous people were yelling to me as I was standing in front of the Opera House. The male was running around, screaming, and trying to fight with people. I advised dispatch to have units to respond. The male ran to the front of the Library and was being held down by citizens. Ofc. Grochowski arrived on scene. He was able to get the male's left wrist into handcuffs. I assisted him by gaining control of the male's right arm. The male continued to flail around so I put my right knee in the center of his shoulder blades at the base of his neck to control him. I had to force the male's right wrist behind his back where Ofc. Grochowski was able to handcuff him. EMS arrived on scene and patrol units took over. The male was identified as David Parreira. The citizen who was holding him down was identified as Erik Carlson.
